Board Member Compensation; Expenses

Board Member Compensation Prohibited

Board members provide volunteer service to the community and may not receive compensation for services, except that a board member serving as the Board Secretary may be paid an amount up to the statutory limit if the Board so provides.

Roll Call Vote

All board member expense requests for travel, meals, and/or lodging must be approved by roll call vote at an open meeting of the Operational Board.

Regulation of Cooperative Expenses

The Governing Board regulates the reimbursement of all travel, meal, and lodging expenses in the Cooperative by resolution. No later than approval of the annual budget and when necessary, the Executive Director will recommend a maximum allowable reimbursement amount for expenses to be included in the resolution. The recommended amount should be based upon the Cooperative's budget and other financial considerations.

Money shall not be advanced or reimbursed for: (1) the expenses of any person except the Board member, (2) anyone's personal expenses, or (3) entertainment expenses. Entertainment includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless the entertainment is ancillary to the purpose of the program or event.

Exceeding the Maximum Allowable Reimbursement Amount(s)

All requests for expense advancements, reimbursements, and/or purchase orders that exceed the maximum allowable reimbursement amount set by the Governing Board may only be approved by it when:

1. The Governing Board's resolution to regulate expenses allows for such approval;
2. An emergency or other extraordinary circumstance exists; and
3. The request is approved by a roll call vote at an open Operational Board meeting.

Advancements

The Governing Board may advance to Operational and Governing board members actual and necessary expenses to be incurred while attending:

1. Meetings sponsored by the Illinois State Board of Education or by the Regional Superintendent of Schools;
2. County or regional meetings and the annual meeting sponsored by any school board association complying with Article 23 of the School Code; and
3. Meetings sponsored by a national organization in the field of public school education.

Expense advancement requests must be submitted to the Executive Director or designee on the Board's standardized estimated expense approval form. After spending expense advancements, Board members must use the Board's standardized expense reimbursement form and submit to the Executive Director: (a) the itemized, signed advancement voucher that was issued, and (b) the amount of actual expenses by attaching receipts. A Board member must return to the Cooperative any portion of an expense advancement not used. If an expense advancement is not requested, expense reimbursements may be issued by the Board to board members for the activities listed in numbers one through three, above, along with registration fees or tuition for a course(s) that

allowed compliance with the mandatory trainings and other professional development opportunities that are encouraged by the School Code (see the Reimbursements and Purchase Orders subhead, below). Expense advancements and vouchers shall be presented to the Operational Board in its regular bill process.

Reimbursements and Purchase Orders

Expense reimbursement is not guaranteed and, when possible, board members should seek pre-approval of expenses by providing an estimation of expenses on the Board's standardized estimated expense approval form, except in situations when the expense is diminutive. When pre-approval is not sought, board members must seek reimbursement on the Board's standardized expense reimbursement form. Expense reimbursements and purchase orders shall be presented to the Operational Board in its regular bill process.

Credit and Procurement Cards

Credit and procurement cards shall not be issued to board members.
