

Exhibit – Student Authorization for Access to the Cooperative’s Electronic Networks Form

This form accompanies Administrative Procedure 6:235-AP1, Acceptable Use of the Cooperative’s Electronic Networks. It must be signed when students will have unsupervised Internet access or when supervision will be minimal. Please submit this form to the Program Administrator.

Students must have a parent/guardian read and agree to the following before being granted unsupervised access:

Parent/Guardian:

All use of the Internet shall be consistent with the Cooperative’s goal of promoting educational excellence by facilitating resource sharing, innovation, and communication. **The failure of any user to follow the terms of the *Acceptable Use of the Cooperative’s Electronic Networks* will result in the loss of privileges, disciplinary action, and/or appropriate legal action.** The signatures at the end of this document are legally binding and indicate the parties who signed have read the terms and conditions carefully and understand their significance.

I have read this *Authorization* form. I understand that access is designed for educational purposes and that the Cooperative has taken precautions to eliminate controversial material. However, I also recognize it is impossible for the Cooperative to restrict access to all controversial and inappropriate materials. I will hold harmless the Cooperative, its employees, agents, or Board members, for any harm caused by materials or software obtained via the network. I accept full responsibility for supervision if and when my child’s use is not in a school setting. I have discussed the *Acceptable Use of the Cooperative’s Electronic Networks* with my child. I hereby request that my child be allowed access to the Cooperative’s electronic networks, including the Internet.
